

# MARCON

## NITROX container Dive System

2 container system.

1 gas container

1 diving control container

The 20" container is divided into 2 rooms that we will call the commander room (with 3-diver panel, TFT screens and meeting-table) and the compressor room (with LP compressor, LP buffer, HP compressor, mixmaster en HP buffers).

Power for the container should be connected outside with a 125 A, 5-pole female connector.
